

Function The Megamart support has been designed for the installation of any type of flooring on any surface, allowing inspection of the various system beneath, without needing to demolish anything. Thanks to the millimetrical adjustment of the components it is possible to have a perfect levelness of the final flooring.

Compatibility -

Range h 35-50 - h 50-75 - h 75-120

Performance The material they are made of makes them resistant to acidic and basic solutions and weathering.

Operating temperature -40°C; +75°C

Recycled product Yes

Recyclable product Yes

Included accessories: -

Material PP T 20%

Optional accessories: Slope regulator
 Levellers
 Adjustable handle
 Distribution disc
 -

Additional information

MegaMart supports are made 100% with regenerated material from refinery plant. All types of MegaMart are guaranteed to bear concentrated loads of 800 kg each.

If not otherwise indicated, all measurements are expressed in millimetres.

Line Item	Description	A	B	C	D	E	F	G	H	I
